*pullwing • glowtop • sconce • cutoff • round form ten • faceted reflectors • square form ten*

Over 50 years ago, Gardco Lighting changed the lighting industry with the introduction of the world's first cutoff outdoor luminaire. Utilizing faceted optics and intelligent construction features, the Form Ten product line set the mark for what an outdoor luminaire should be. Today, these and many other Gardco innovations have become industry standards. As technologies evolve and expectations change, Philips Gardco continues to identify opportunities to further define luminaire performance, construction and style.
